

```
std::array< Scalar,  
_size >
```

A diagram illustrating inheritance. A light gray box at the top contains the text 'std::array< Scalar, _size >'. A dark gray box at the bottom contains the text 'Disa::Vector_Dense < _size >'. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating that 'Disa::Vector_Dense' inherits from 'std::array'.

```
Disa::Vector_Dense  
< _size >
```
